

## Silkstone CARE/SiB Work Programme April – September 2018

CARE is committed to two sessions on the Station gardens and two in Jays Wood this year so these must be carried out. The other items are regular work and requests that have been received during 2018 from the PC or individuals.

| Date                                     | Task                                                                                                                                    | Meet                                                | Leader                        |
