

The Parish Council have had a request to consider accepting a donation from Silkstone United U16's who folded this summer.

They want to donate their outstanding account balance equally between the Yorkshire Air Ambulance and a 'fund' to be held by the Parish Council for the promotion of football in the Parish.

The Secretary/treasurer contacted me and asked if this could be feasible and whether we would accept them suggesting some 'stipulations'?

I asked for this to be sent by way of email in preparation for our PC Meeting but nothing has arrived to date.

PC to consider agreeing to the request.

Richard Bell

Clerk & RFO
