

MINUTES of the **MEETING** of **SILKSTONE PARISH COUNCIL** held on **Monday 6th January 2020** at Silkstone Sports Pavilion.

PRESENT

Meeting Chaired by: Cllr Meryl Liddell

Councillors: Derek Liddell, Ron Stier, Alan Thompson, Debra Smith and Richard Leech.

In attendance: Parish Clerk and Barnsley Chronicle reporter.

PUBLIC QUESTION TIME

The Barnsley Chronicle reporter asked about reports of 'Anti-Social' behaviour reports in the Parish. Cllr M Liddell said that it was isolated, with some issues in Orchard Wood, reports of nuisance near the MUGA and an incident in Silverwood Scout Camp where a man was assaulted.

Further report from Cllr Leech about the blocked gullies on A628 from Silkstone Golf Club downwards.

A fantastic first landing by the Children's Air Ambulance on Silkstone Recreation Ground was reported by Cllr M Liddell just prior to Christmas; everything went smoothly and despite very minor marks to the football playing surface there were no other issues.

Cllr Stier reported that Cone Lane needed leaves sweeping, particularly from the Cemetery downwards. He also reported that residents had asked him about the former Mission Rooms site and was happening as it is very unsightly; the Clerk stated that the land is privately owned, and renewed planning permission has been given to rebuild a community type hall.

Cllr Stier asked about the grassed area on Hall Royd Walk which is looking unkempt and messy. There seems to be no change to the position taken by Barnsley MBC that despite cutting the grass for many years, they have concluded that it is not their land and as such are refusing to maintain.

Cllr Thompson reported a bin on Broad Gates being used by people disposing of domestic waste and therefore it becomes full.

Cllr D Liddell reported that the hedges on Blackhorse Drive and Woodland View had both been cut back rigorously. Also reported was that the steps in Orchard Wood still need attention.

A report of dumped containers on Blacker Green Lane was made by Cllr Leech; he will check that they are still there so the Clerk can report to Barnsley MBC.

19-219 ANNUAL TREE AUDIT

RESOLVED to note an update from the Clerk following the annual tree audit of Orchard Wood, Conroyd Wood and The Chestnuts. Two diseased trees in Orchard Wood to be removed, continuation of crowning works in The Chestnuts left over from 2019 to be completed. There is one potentially dangerous overhanging branch from Conroyd Wood onto Cone Lane which the Clerk will report to Highways and a programme of thinning out and ivy removal is required in Conroyd Wood.

19-220 PICNIC BENCHES PROJECT

RESOLVED to note an update from Cllr M Liddell that Groundwork have been asked to visit site and give a quotation.

19-221 DRAFT BUDGET 2020/2021

RESOLVED to note an update from the Clerk going through the budget build-up by item for 2020/2021.

The 2020/2021 budget has been presented to Council by the Finance Committee with a recommendation of a 2% increase of the Precept, however, options for lower increases have been included by way of comparison.

The Clerk reported that the Average Weekly Earnings index for December 2019 was 3.5% and that the Retail Price Index for December 2019 was 1.3%. Therefore, it is entirely feasible that supplier charges and costs of goods will increase during 2020.

There was a debate amongst Councillors at what level of Precept increase should be sought from the Principal Authority. Cllr D Liddell commented that in the past the Council had not increased the budget and that then put pressure on reserves due to unexpected costs and increases from suppliers. Cllr Stier was not convinced that it was warranted asking residents for an increase and argued for no increase.

The Chair put the question to Council for a vote by show of hands.

RESOLVED to note a majority of 4 votes to 2 in favour of a 2% Precept increase with Cllr Stier and another Councillor dissenting.

19-222 INVOICES FOR PAYMENT

RESOLVED to approve the payment schedule dated 6th January 2020.
