2024

Thank you for recycling right and helping us create a cleaner, greener, more sustainable Barnsley. Around 47% of Barnsley's waste is recycled. We want to work together to increase this by carefully sorting our recycling into the correct bins.

Please put bins at the kerbside before 6am on collection day. Additional bags of plastic and tins can be left next to your brown bin (must contain no glass). Additional dry cardboard can also be left next to your blue bin when the weather is dry. Please tear it up small and load it into one box small enough to fit back in your bin so the crew can re-fill and re-empty your bin for you. No additional bags can be left with grey or green bins.

**Blue bin**

Paper, card, newspaper, magazines, clean dry cardboard, junk mail.

**Brown bin**

Plastic pots, plastic tubs, plastic trays, glass bottles, jars, tins and cans.

**Green bin**

Garden waste, grass cuttings, small twigs and branches, leaves, plants.
