18-053 DECLARATIONS OF INTEREST

RESOLVED to note a declaration of interest from Cllr Debra Smith in agenda item 10 - Grant application from Silkstone Common Ladies Choir.

18-054 HUSKAR COMMUNITY ROOMS ANNUAL REPORT

Linda Jackson, Chair of the Huskar Community Rooms (HCR) committee addressed Parish Council with an update on bookings at the HCR and the forecast accounts. In addition to the uniformed organisations and the dance school the centre is used by exercise classes, a photographer and toddler groups as well as Barnsley MBC for elections. The NHS Healthy Action team have also recently made bookings at the centre. It was noted that income from the solar panels has still not been received from EON – this is an ongoing issue, which the treasurer will report on at the next Parish Council meeting. The committee intend to proceed with the installation of netting at the HCR end of the MUGA (approved by Parish Council some time ago). Air circulation is still an issue and quotes are in the process of being obtained.

RESOLVED that Linda Jackson and the new treasurer will attend the September Parish Council meeting with a further update on the solar panels, MUGA netting quotes,

contractors' recommendations for air circulation improvements and % usage of the centre to be compared year on year.

The Chair thanked Linda Jackson for attending the meeting. Linda Jackson left the meeting.

18-055 MINUTES

RESOLVED to approve the minutes of the Silkstone Parish Council meeting held on Monday 4 June 18 as a true and accurate record. The Chair signed the minutes.

Matters arising from the minutes:

Japanese knotweed (JK) in Silkstone Common – Barnsley MBC has cut the grass on the Moorend Lane verge so the JK is no longer there. The private landowner has burnt the JK in their garden.

It was noted that the dog/litter bin audit request has not been received from Barnsley MBC. Clerk to enquire about progress on this from Ward Councillors.

It was noted that to date only one response has been received from the neighbourhood planning article in the Parish newsletter. This is disappointing, it was agreed that a Neighbourhood plan couldn't be progressed without the commitment of a group of at least 10 residents. A further update will be given to the September PC meeting.

It was noted that site EC11 has been removed from the proposed Local Development Plan for the Barnsley Borough.

18-056 PLANNING APPLICATIONS FROM BARNSELY MBC

	2018/0713 Demolition of existing building and erection of a single storey building (resubmission)	Rear of 6 Beacon Close, Silkstone Common (site of old Mission rooms)
2013/1198 (6 Nov 13)	Demolition of existing building (old Mission Rooms) and erection of a single storey building Whilst the Parish Council does not object to the demolition and replacement of this community hall, they would ask that every effort is made to prevent disruption to the old people resident in Beacon Close and to keep the well used footpath open which runs alongside the site and under the monkey tunnel. Silkstone PC will re-iterate these comments for this re-submission and additionally	Rear of 5 & 6 Beacon Close Silkstone Common

	ask Barnsley MBC to ensure that the derelict building which is known to contain asbestos is in a safe state.
